“ I never had the pleasure of meeting Alex, however, I worked with his mom, Laurel White, for several years at Eastmont school district. I also had the pleasure of knowing Laurel's parents through their work and volunteer time with the school district. Laurel and I shared stories about our boys. Alex belonged to a good, loving family!! My heart goes out to Laurel and her family. You will remain in my thoughts and prayers.

“ I remember Alex as a cute little boy. But he seemed so delicate. Then he grew up to be a herkin big guy who was very athletic. All my love and support to Alex's family.
