

Alice Ruth McFarland

July 7, 1924 - November 11, 2020

Alice Ruth McFarland was born Alice Pedersen, July 7 1924, at the family farm near Woodland, WA. She was the third of four siblings who were all born in the farm house.

She left the farm after graduating High School, moving to the south Seattle area to live with her sister. This was during WW II and she worked at Boeing in the parts department, then pulling cable through the tight areas of airplanes where a small person could go. She met a young mechanic, Emery McFarland, who came to pick up parts. They married and remained in the south King County area for the next 60 years. They raised three children while living in Kent, WA.

Alice loved the Lord Jesus Christ. She was an integral member of Kent First Baptist Church for over 60 years.

She was a classic farm style homemaker, cultivating and preserving much of her family's food supply. Alice enjoyed flowers, horses, the outdoors, and travel. She was blessed to take many adventures within North America and internationally. Alice moved to Wenatchee, WA in 2015 to be near her children. She remained there until her passing.

She is survived by her son Loren McFarland; daughter-in-law, Dalyce McFarland; daughter, Corinne Bassett; six grandchildren and three great-

grandchildren.
