Andrea Carlos Johnson

December 15, 1980 ~ December 29, 2014

Andrea Carlos Johnson, 34, of East Wenatchee, WA and originally from St. Thomas, Jamaica, took rest in the arms of the creator on December 29, 2014, following a tragic accident at his work place. He worked at Stemilt Old Station as a mechanic. Andrea was a jack of all trades, a hardworking man who did everything to provide for his wife and children. He was born on December 15, 1980, to Paulette and Kenneth of St. Thomas, Jamaica.

Andrea is survived by his wife, Christina; four boys, Tyrees, Shaquayne, Tyrike and Jaequan; his daughter, Kiahara; two brothers, six sisters and his mother and father. Andrea is gone, but certainly never will be forgotten. He has left an everlasting impression on everyone who he came across, near and far.

The Memorial Service will be held at Telford's Chapel of the Valley on Tuesday, January 13, 2015, at 2:00 p.m. A brief Viewing will follow after the Service. Andrea Johnson will be laid to rest beside his grandmother in Jamaica, following his service in East Wenatchee. Thank you to all who have been there during the family's hard time. Arrangements are by Telford's

Chapel of the Valley, East Wenatchee.
