“ Andrew i know you are flying forever free. I will always remember our times together. Love you Always Uncle Joe 🌹
Some things i remember is sledding with Randy ,Paula, Andrew, Matt, Madison, and their crazy aunts Janet and Jennifer.
Lets just say Andrew and I won the big air contest that night 😭
We visited Wenatchee and would hang out when Andrew and Matt, I always looked forward of the storytelling of their friend Wade and his family.
Andrew and Matt were avid Hockey players and we were their biggest fans when they came over to the west side to play.
We had a lot of fun times visiting Andrew and Matts great uncle Mike and aunt Marge in Queen Anne .

“ Andrew Hickman . What a sweet soul. As his godparent, and lifelong friend my heart aches. Andrew always made me smile, No matter how hard it was for him he wanted others to be happy and not worry. A real child of god who had so much love. God be with him until we meet again. Love to all the family.

ANDREW, my first born son and a bright light that burned out too soon. R.I.P. As your mom, I was always your biggest fan from day one. You were happy growing up as a child ,with your brother Matt ,and we were a happy family for a long time. I will miss you greatly, but knowing you are at peace gives me comfort .I would not wish you back again. I have a strong belief that someday we will be together again in Heaven . Trust in God .Love , your biggest fan, A.K.A. , YOUR MOM

The roses in the window box were tilted to one side, everything about this house was born to live and die, it wasn't a year ago to this very day I said sorry honey, can't take another day.

I will never get over this, see you sooner

*I love you
