

Angeline Marie Parkins

April 6, 2012

Angeline Marie "Angie" Parkins passed away peacefully, with family by her side, on Thursday, April 6, 2012, at RiverWest Assisted Living establishment of Wenatchee. Angie was a resident of the Wenatchee Valley for 67 years. Angie was born on November 28, 1926, in Antigo, WI to Ernst and Sylvia (Sejba) Parsons. She attended school in Wisconsin until graduating in 1944. She then moved to the Wenatchee area, where she married Bert Parkins in 1954. She worked as an Auditor at the Chelan County Courthouse for 31 years. After retirement, she volunteered her time to the Alanon Club of Wenatchee for the next ten years, where she was loved for her dedication, friendship and strength she gave to anyone who entered the doors. Angie resided at the Wellington House Assisted Living in Wenatchee for six years, before settling into her final home at RiverWest. These were her best years. Many, many activities, friends and functions awaited her there. These people became her great friends. Jim, the activities director, Jeril, Debbie and all the caregivers and nurses surrounded her with happiness and love. She will always be remembered at RiverWest, and anyone who met her would agree.

Angie is survived by two children and their spouses, Scott and Barb Parkins of Wenatchee and Phyllis and Bob Firth of Wenatchee. Grandchildren include Jessica (Lyons) Parkins and Dylan Parkins, Travis Firth of Lakewood, and Kimberly Firth of Bremerton.

The family would like to sincerely thank the Hospice Nurses, Ginny, Cindy and Barb, for their compassion and support. Also the Emergency Staff at Central Washington Hospital for their timely effort in making her stay more comfortable. We also thank our dear friend, Susan Hay, who was there for us day and night when we needed her most.

Funeral arrangements are being made by Telford's Chapel of The Valley of East Wenatchee. Thank you so much Rick!
