“ We wish to share our sincere condolences to all of Ann's family. We visited Ann and Arlis several times at the Spa at the Salton Sea and they were both so happy when they were there with family and friends. Ann was always so proud that she worked at the Shield's Date Farm in Indio, California in her early years and the farm still is in business today. Thank you, Ann, for all the good times you brought into Arlis's life.

“ At this sorrowful period in your life, please accept my sincerest condolences for the death of your loved one. Reflecting on the divine promises found in the Bible will give you hope and strength to keep going until all of God's promises are fulfilled. (John 5:28, 29; Romans 15:13; 2 Thessalonians 2:16, 17).
