“ I will miss my mother's giving kind loving soul! She was always there for you unconditionally! I will never forget the smell of homemade apple pie and home baked goods ready to eat when we got home from school, especially Chocolate Chip Cookies! Mom was an amazing cook, baker and seamstress! She would sew my sister and mine Easter dress every year. We looked fabulous! She also gardened and "canned" peaches, pears, tomatoes, and made home made Dill Pickles from cucumbers fresh from the garden. They tasted delicious!!! We would visit her Family Farm every two years of our life, which was located approximately 50 miles outside of Edmonton, Alberta, Canada. Definitely the good "ole" days that left us with memories we will always cherish! Love and miss you Mom. Thank-you for the best childhood a little girl could ask for!!!
Your daughter, Cheryl
