“ *Lacy and family
So sorry for your loss. Man oh Man did she fight the fight.
I pray your memories of her life before illness soon fill your hearts
and bring back smiles and love.*

“ *I met Annie 32 years ago. She could light up any room with her
smile and contiguous laugh. She cut my hair in Seattle and we had
many laughs together. I know my heart will always have a place
with her in it. Please accept my condolences on your loss.*
