“ *This is so sad, that there are no other condolences! I fell in love with Barry when I was 15 and he 17 while we were attending Bothell High School. It was one way only; he barely new I existed, but when things got tough or ugly in my life (which were often), my memories of him and the few times he smiled or spoke to me were enough to chase the bad things away! I always wished and prayed that I had been able to meet and talk and get to know him in later years, but that was not meant to be! I hope his passing was peaceful and my memories of the beautiful, brown eyed boy will remain intact! I LOVE you Barry, wherever you are!! Georgia*
