“ Pam, Chuck, Connie and all Bea's beloved family ~
After reading the Wenatchee World Obituary I wanted to let you know you are in my thoughts and prayers. Your mother was a very special lady. I haven't seen her in years but the thought of her evokes many wonderful memories and special moments shared at your place when we were very young. As time passed, no matter where or when your mother and I crossed paths she always made time to chat and provide me updates and info on you, Pam. I'd love to reconnect with you. If you are so inclined please email, text, or call me. I love and miss you.
Now, hold on to your family and loved ones. Cherish the fleeting moments.
All My Love and Heartfelt Condolences ~
