

Betty Bromiley

February 13, 1939 - July 30, 2022

Betty Ann Bromiley, 83, of Wenatchee, WA, passed away on July 30, 2022 at her

home with her loving husband by her side. She was born February 13, 1939 to

Ernest L. and Carrie (Powell) Sims in Bentonville, Arkansas. The family moved to

Wenatchee in 1944. Betty attended schools in Wenatchee, graduating with the Wenatchee High School class of 1957. She later studied at Western College of

Commerce and Business Management.

Betty met the love of her life, Stanley R. "Pete" Bromiley in 1954 at Wenatchee

High School. It was love at first sight. They were married on November 3, 1956 and

made their home in the Wenatchee Valley. They welcomed the birth of their first child,

Pamela Lee, in 1957. She was followed by Michele Lynn, Stanley, Jr., Gary Ernest,

Janee Mara and Craig Allen.

Betty went to work at Wells and Wade Hardware in 1969. She worked as a

bookkeeper, credit manager and office manager until the store closed. She later worked in the office at Sears until her retirement.

To know Betty was to love her. She had a smile that would light up any room and the biggest heart that made all who knew her feel loved. She enjoyed quilting, needlepoint, sewing, baking and decorating cakes. She was an avid reader who always had a book in her purse - just in case. Her greatest joy in life was time spent with her children, grandchildren, great-grandchildren and anyone who stopped by to visit on the front porch.

Betty is survived by her devoted husband of 65 years, Stanley "Pete" Bromiley; five children: Michele (Bobbie) Woods of Wenatchee, Stanley R. Bromiley, Jr., of Renton, Gary (Jane) Bromiley of Anchorage, AK, Janee Bromiley of Renton and Craig Bromiley of Wenatchee; 16 grandchildren; 21 great-grandchildren; and countless nieces and nephews. She was preceded in death by daughter, Pamela Bromiley, her parents and her siblings.

A special thanks to Michele, Lisa, Bobby Jo, Lily and their families for taking such great care of her in the last months of her life.

“ Grandma is going to be greatly missed. Her void will be felt our entire lifetimes. As the oldest grandchild, I am able to say, I had her just a tad bit longer, a few more memories, than my cousins and siblings and all the firsts we experienced together, nonetheless, she loved us all equally(So she said). Our relationship was unique, She fought her toughest battles just to see her granddaughter hit all the milestones...I did it, We did it. She held my hand when I needed it, corrected me when I had it coming and most importantly she loved me unconditionally, because that's the woman she was. I knew she was an amazing Grandma, however the day I made her a Great Grandma...WOW, I'd never seen her heart so full of love, I learned real quick the show wasn't about me anymore. Them Great Grandbabies gave her another breath of air. Give that lady a baby and she radiated love!! My youngest, her pretty boy couldn't do no wrong in his grandma's eyes. He loved her with his whole being. So many memories....good belly laughs....great conversations, including the kitchen conversations. I'll cherish my lifetime of memories with her, including these last few months.

“ Where to start. First off Grandma is going to be greatly missed. My most recent memories are some that I'll cherish for the rest of my life. Like when she would look at Grandpa across the table and say, "That's my guy right there, and he is good." Or when she'd look at Justin that was truly a belly laugh. She'd shake her finger darn near say his name all the while asking for us to remind her who he was. Then she'd say "Oh Justin that's right! I knew that. You sure are handsome." Sometimes she would ask him if he was married. If I didn't know any better I would have thought she was trying to run off with Justin. Also, there was the time she told Lily that us pretty girls don't have to cook.
