“ I was sad to hear that Bev passed away last week. I was out of town last weekend and didn't realize her service was Monday. I was upset to find that out. I would certainly have been there!

Bev was a very special person. I know that her family, especially Doyle will miss her terribly!

Hugs to all of you, so sorry I wasn't there on Monday.

“ Beautiful day and wonderful time with family and friends celebrating a life well-lived. There are not enough words to express our feelings. An amazing woman leaves a legacy of children, grandchildren, great grandchildren, other relatives and many friends. She will be in our hearts forever.
