Bill D. Langendorf

Wenatchee, Washington

I could never have wished for a more loving and caring husband than Bill. He spent 71 great years on this earth, leaving March 31, 2019. Our life together started in 1972. He was home on leave after his second tour in Vietnam when we met. We knew each other thirty days, when he said -Let's get married! That started our 46 years of happiness together. After his two tours in Vietnam, and earning a Purple Heart he was honorably discharged from the Army. He then joined the Army National Guard retiring after twenty two years. During those years he also worked various construction jobs, including Grand Coulee, Chief Joseph and Rock Island Dams driving truck. Bill then started working for ConAgra (Lamb Weston) in Quincy as a Truck Driver. He began hauling spuds, then drove refrigerated, and finished driving a tanker truck, hauling oil for the fryers. He loved his job. He retired after 31 yrs. Bill loved the outdoors, weather working in the yard, camping or fishing around the PNW. He is survived by his wife Vicki. A daughter Michelle & Art Rossomondo of Nevada. Brothers Russell & Ann Langendorf of Wenatchee WA. Gary & Diane Langendorf of E Wenatchee WA, sister Rita Langendorf of Tacoma WA, and numerous nieces and nephews. He was preceded in death by his parents, an infant sister, and our two daughters. There will be no service at his request. Arrangements are by Chapel of the Valley, Wenatchee. A special thank you to Wendi Ornellis, and my family for your help. Billy, we will miss you! Love you.
