“ This is for my Uncle Brian Ursic, here is more of my memory of my uncle. My uncle was the nicest and he was always smiling and saying hi! how are you every time I would see him, he liked A&W Root beer soda twinkies, he was always telling me to choose, and every time he would babysit me and my brother we would play clue & monopoly games. My Uncle liked mowing the lawn, taking out the garbage for his chores at home. My uncle was born in 1959, me 1964, my brother 1965. That's why my uncle Brian Ursic babysat us. My Uncle Brian Ursic was a non-violent person, this my memory of my uncle. From: his Niece: Charlene M. Wilkey
