“ Terry McFadden or Big "T" by Carl
My prayers are with you and your family. Carl and I shared many of our exploits as the Warehouse Foreman at the main Distribution parts warehouse. Carl was always ready to help someone when asked , with a smile. Also to grin when he would come into the warehouse singing the lyrics to his crazy song no one knew the words to called " LOSER ". It would crack us up :) I also knew Carl outside of work as a fellow canoe/kayaker and Ridge to River racer. Carl would amaze me on the Upper Wenatchee River . I was lucky to have the opportunity to have called Carl my friend. I have been a friend and Co-Worker of Carl all his working career at Chelan County PUD.
