“ *Your mother Carolyn worked with me on the Surgical unit Central Washington hospital--we were a great team and became very good friends. I always admired her joyful spirit and cool, calm, collected approach when she was the charge nurse and I was the head nurse. I know you all miss her terribly...pam cronrath*

“ *Carolyn was an exceptional nurse and person. I was priviledged to work with her for many years. I wish I could be there to help send her to the big fishing hole in the sky.*
