“ Mom, I miss you every day. I pray you don't see what your eldest child is doing as it would shame you. Some day we will see each other again. Until then

“ Grandma I miss you so much. I think about you everyday and wish I could just pick up the phone and call you like before. I've had so much in life going on that I would love to be able to talk to you about. I'm going to go visit grandpa here soon and will to visit you also when I'm in town. Just wanted you to know that I think about you everyday and miss you so fiery much.

Love always,

“ To my dear Banta family, as soon as I heard about your Mom I was shocked to hear. My Sincere Sympathy to you all. She was such a nice lady to know and have for a friend. I have fond memories of our wonderful dinners she prepared. Also her love for the animals and her garden and flowers. Please know you are in my prayers. Much Love Sincerely, Betty Germain and Family
