“ Charlie was one of the good ones!  
He was one that made my job at the golf course fun. The fun rivalry we had between his "Chickenhawks" and my Broncos was legend...but he got the last laugh (and winnings) when the Seahawks beat the Broncos in the superbowl. He was a great sport with my humor and was a great story teller too!  
I will miss Charlie and I send my prayers and condolences to Jean, Mark, Jill, and Joanne and the rest of the family

“ This is my beloved Uncle Chuck. I remember as a child that he lived next door to us with his parents, my grandparents. He used to tolerate us kids with endearing names such as ankle biters, rug rats, and curtain climbers! I loved him and he will truly be missed!
