

Cherie Renee

June 17, 1954 - October 25, 2022

Cherié Reneé, 68, of Chelan, WA, passed away peacefully, with family by her side, at Confluence Health Hospital in Wenatchee, WA, on October 25, 2022.

Cherié was born on June 17, 1954, in Wenatchee, WA, to Donald and Dorothy Snyder, the first beloved daughter of 4 children. She was raised and graduated high school in Wenatchee, WA.

Cherié, loved by many throughout her life, lived life on her own terms. She graduated as a professional beautician and owned her own business, delighting customers with her styling skills. Cherié had amazing gifts and talents in the art world. She created beautiful art on canvas and home decorations and turned God's simple things, like a shell picked from the beach, into a gift suitable to be cherished in one's home. Cherié gave many of these creations to friends and family, constantly reminding the recipients of her unique and beautiful character embedded into each piece. Cherié loved animals and owned horses, dogs, cats, birds, and many others at different points in her life. Cherié also loved camping, fishing, lakes, and ocean beaches. She was happiest enjoying warm sunshine while playing dice and other games and laughing with family or friends. Cherié deeply loved and was very proud of her son and granddaughter.

Cherié will lovingly reside in each of our hearts who grew up with her, loved

her & shared our lives with her.

We pray for God's Ultimate Peace and Joy in His Eternal Home for our family's Daughter, Sister, Mother, and friend.

Cherié, God bless you yesterday, today, and forever more! Amen

She is survived by her mom, Dorothy Snyder; son, Jesse Howard; granddaughter, Jackson Howard (Jesse and Jackson live in New York); siblings, Gordon (Liz), Brett (Diana) & Vonna (Tom) Harris. She was preceded in death by her father, Donald Snyder.

Friends of Cherié are welcome to join her family for a celebration of Cherie's life Saturday, July 15, at 10 am at Rotary Park, Wenatchee, WA.

“ My family moved to Wenatchee from the Seattle area in 1964. I was 10 years old. Cherie really became one of my first friends at my new school. I was enrolled at Washington elementary and as the new student who dressed in skin tight pants and Beatle boots and wore his hair like Elvis Presley while all the other boys wore Levi jeans and Converse tennis shoes and wore their hair in crew cuts. I quickly became the brunt of jokes and the target to be made fun of. Cherie was having none of this nonsense. She graciously came up to me and welcomed me and was very kind! She let me know that I was welcome and that she would like to be my friend. She was a welcoming presence for this new kid at a new school!..... Love you Cherie!

“ *Cherie' was one the best friends a person could have! Always a great sense of humor and "quick to laugh out loud". No LOL back in 2008 when we met (fun funny bone). She always referred to me as her "Montana friend" and would text me nearly every day or call on "the ringer". She had such artistic talent which she was always sharing. See photos. She had so much love for her son, Jesse and granddaughter, Jackson. After a phone call with Jackson, she'd call (on the ringer :-) and breathlessly tell me every detail of her very smart and funny granddaughter! (lots of lofty vocabulary out of that little gal) and as Glenna said, " happy trails, dear friend". I hope we meet up yonder.*

“ Her younger brother (Gordon), received a gift of polar bears relaxing on the ice, guessing she figured I looked like the one flat out on his back 😍
