

Curtis Lloyd Carlson

April 7, 1959 - November 29, 2015

Curtis Lloyd Carlson, 56, a lifelong Wenatchee resident, passed away at Central Washington Hospital, on November 29, 2015, following a 10 month battle with cancer. He was surrounded by his loving family. He was born in Wenatchee on April 7, 1959, to Lloyd and Ruth Carlson. It was there that he attended school until the age of 16 when he quit to go to work with his father, learning the floor covering trade and later becoming a master of his trade. As a young man, Curtis enjoyed camping, fishing, and hiking. He also enjoyed raising pigeons and racing motocross. In 1981 he met the love of his life, Wendy Wallin. They were married on July 27, 1991, after a decade of friendship, blending their four children into one family. Together they had one more child. Curtis spent 39 years installing floor coverings for various companies such as Bagdon's, Sears, and First Choice Floor Coverings. He also worked for several contractors and customers. His favorite jobs were those in which he went into a customer's home and made it beautiful for them again. He received so much satisfaction from their smiling faces. Curtis' other passion was spending countless hours in his yard, making it look like a beautiful park. He also enjoyed hunting and golf.

Curtis is survived by his loving wife, Wendy, of Wenatchee; daughters Heather Froelich, Wenatchee; Kendra (Jason) Delaney, Mountain Home, ID; Paige Carlson (Cody), Wenatchee; Chelsee Carlson, Wenatchee; son Colby (Sammy) Carlson, Wenatchee; brother John Carlson, Fort Collins, CO; sisters

A celebration of life will be held in the late spring of 2016. A second reminder notice with information will be posted again at that time. Arrangements are by Telford's Chapel of the Valley, East Wenatchee

“ Wendy, I'm sorry I'm not sure if my earlier note went through. I'm not to computer savvy. I just wanted to say I'm so sorry about Curt. The few times I talked to him he was so nice. Your mom spoke highly of him. You two were so fortunate to meet each other, and face the challenges of blending your families, successfully. Few are so lucky. Through the ups and downs of our lives, we have our memories of better times. My thoughts are with you and the kids.
