“ Dale has been a good friend over the years . Many times he has saved me from myself. One time we were taking a ride into Cloudcroft NM, I stopped and bought a six pack of beer. Of course I couldnt wait to open one. We headed down the mountain. Maybe a half mile I sipped my beer, A state policeman coming up the mountain passed us . Dale grabbed my open beer and the other five and out the window they went. I was very angry saying whats up. I was yelling at him. He said that cop ls going to flip a b---- and bust us and sure enough that is what happened. I was very lucky to have Dale as a friend he had a sense to stay out of trouble unlike myself. I will miss you dale.

“ Dad worked as a concrete finisher. One time he got concrete poisoning. As a joke I sent him a womens menstrol pad, and on it I worte in red "Do you need a band aide"? So when he opened it he would see the red and think it was a bloody pad. That is how our relationship was. I WILL MISS HIM!! But he is in a better place and in no more pain and it would be selfish of us to want to keep him here. He is a son of God and God has a right to him also. I am thankful I got to know my dad and I couldn't be any prouder of him. He is My Hero, and my best friend.
