“ Nancy, I'm so sorry for the loss of your brother. I read once that grief is unfinished love. Without love, there would be no pain. I hope you take some comfort in knowing you will get to see him and hug him again in Heaven someday. Love you my friend ❤️ Bonny

“ Those we love don't go away. They walk beside us every day. Unseen, unheard but always near. Still loved, still missed, and very dear. Grateful for the relationship you had with Michael during these past years. My deepest condolences. Rest in peace!
