“ Dear Birmingham family. I just want to express to you how much I admired and appreciated Danny. He worked very hard as a student at Sunnyslope Elementary and was a killer athlete on the playground! In later years I would see him waiting for the middle school or high school bus at SS and he was always polite and engaging with me. It was the highlight of my morning to see him! He'd always hold the door for me and tell me to have a great day! I would know this young man anyway and will see him in Heaven. Love to your family. Mrs. Christman.
