“ Lots of memories running through my head, but one of my favorites is this. I think we were 17 or so, he drove his shinny CJ5 Jeep Down to Federal Way and stayed with our family for the summer. He had a summer job at a rendering plant in Tacoma. Almost every night we would cut thru Dick Balch Chevrolet and enter Honda Hills and ride up and down all night long. And yes using that wench helping others and our selves. Weekends were spent cruising the lakes and beaches. So many great memories. With deepest sympathy. Steve

“ I miss your raw humor and constantly giving each other crap every day. I always look forward to you visiting the mechanic shop and talking to each other like true truckers would talk. You were one of a kind and will be missed 🥺🥺
