“*Dave was a friend of mine. He was like a brother. He got me my job at Bi Mart, and he always had my back. I remember when I knew he and I were closing together, I'd look forward to it because he'd always share stories with me, and he always made me laugh. He was a great man and will be forever missed.*”

“*Dave was a great man. I learned so much from working with him for 20 years. I'm going to miss the fun times we had while working and the trouble we would sometimes get ourselves into. Goodbye, my friend, and I will see you soon on the other side.*”
