“ Dearest Maggie....I love looking at these pictures of you and Dave. What a handsome dude with his little doll! I'm so glad that I got to know the two of you over the past few years and will always relish the trip back to our hotel after a night out in Mexico -- lots of singing with you guys and Mary Alice. Dave was such a fun guy! But I also saw the love and devotion between the two of you, making beautiful memories to forever cherish. My house is your house any time you want to come visit! Much love and lots of hugs to you and your family. xxoo Carol
