

## Dean M. Longanecker

June 17, 1949 - May 5, 2018

Dean M. Longanecker, in just less than sixty-nine trips around the sun, was a wonderful husband, father, brother, grandfather, uncle, great [and to some, great-great] uncle, and true friend.

A self-proclaimed Beatle-maniac, beekeeper's apprentice, defensive lineman that actually scored, basketball player that couldn't do a left handed dunk, race car promoter, skier, though not quite a golfer.

A gentleman scholar, firefighter, smokejumper, financier, swampest extraordinaire, world traveler, philanthropist, he fined and was fined by many.

A pronto-puppeteer, Billy the drummer's manager, and the bassist that packed the North Central Washington Fairgrounds.

Truly a life a well lived. He is loved and shall be dearly missed.

A Celebration of Life will be held on Thursday, May 10, 2018, from 4 p.m. to 7 p.m. at the NCW Fairgrounds in Waterville. Arrangements assisted by Chapel of the Valley, Wenatchee.
