“ I just heard that Don had passed. I am so sorry, he will be missed. I will miss seeing him walking up to get the mail; or waving to me as he headed off to work at Safeway.

“ I worked with Don for 7 1/2 years. He was very pleasant to work with. Every day I'd work with him, before clocking in, I'd ask him to tell me a story. I loved his stories. They were usually pretty funny!! I also love that he believed in Big Foot and would go to the seminars I once found a Big Foot shot glass while I was in CA at Big Bear Mountain. I got it and gave it to Don. !! He was so surprised by the gesture and seemed happy I gave him a big ol hug !!! I used to tell him about my son being in the Marines. I was very happy to be able to introduce my son to Don. He told my son about his time in the service My life has definitely been touched by knowing Don and being a small part of his work friend. Rest In Peace my friend ! You will certainly be missed and you've blessed us with your stories. It was my pleasure to know you. I'll see you on the other side someday. I hope you can spot Big Foot thru the clouds!!
Love, Kim Hisey.
