Donna Lee Claussen

February 25, 1923 ~ March 17, 2011

Our dear mother and friend went home to be with the Lord the evening of March 17, 2011. She was a longtime Valley resident, whose career as a confidential Secretary included Wenatchee YMCA, Wenatchee Post Office and Washington State Social and Health Services. Donna was loved and admired by those who knew her friendly ways and smile. Those closest to her appreciated her wit and wisdom, and her sympathetic and gentle manner. She was always putting her family and friends ahead of herself, and she centered her life around family and home. She married James Claussen after meeting while they both were enlisted in the U.S. Navy. They had a wonderful life together for 63 years.

Donna is survived by two children; two grandchildren; and two great-grandchildren.

At her request, No Service will be held.
