DORCAS "CASEY" LAUER

July 19, 1915 - April 11, 2010

Wenatchee, Washington

Casey Lauer passed away the evening of April 11, 2010 in Wenatchee, Washington at the

age of 94 and in the presence of family. Casey is survived by five children, 14 grandchildren, 25 great grandchildren, and two great-great granddaughters.

Casey was

born in Quebec, Canada on July 19, 1915 and became a resident of southern California in

July 1955 where she lived until 2001 when she moved to Wenatchee.

On July 19, 1955, the first day California's Disneyland opened Casey began her 22 year

employment history with Disneyland. She retired in 1979 and enjoyed every minute of

her retirement knitting, spending time with her family and participating in on-going,

never-ending volunteer activities. Casey knitted her entire life and although her dresses

and afghans were and continue to be fine works of art family and close friends will

remember most the tiny Christmas stockings all have come to cherish. For her

family, the

Christmas stockings have come to be a happy and significant part of each Christmas

morning and all will only cherish more each of their collections.

Casey was an ardent volunteer throughout her life. Most recently she worked at the

Wenatchee Valley Senior Activity Center in the craft room as a volunteer for more than

seven years. She just recently left the Center and was honored with a gala celebration for

her contributions. Currently she was working on a knitting project for Rock Island

Elementary School in Wenatchee and was knitting on that very project on the night she

passed away.

In 2001 Casey left southern California and moved to Wenatchee within a mile of three of

her five children. She loved family gatherings many of which included all five children

and many, many grandchildren. Casey enjoyed Easter dinner at her daughter's home with

family and friends in East Wenatchee last Sunday afternoon. Casey lived alone until two

weeks ago when she decided to move one mile to the home of her youngest son where

she was with family and comfortable and happy.

Honoring Casey's request, there will be no service.

“ Condolences from all the Jarvis Street Lauers in Orillia. I can still remember that spring when Aunt Dorcas and family joined us in Orillia. I just remember it being fun but I am sure it was hard work for Dorcas and Bev. I also remember as a kid thinking it was pretty cool that I had an Aunt who worked at Disneyland. All the best from Orillia. Tim and Rhonda
