

Jean Hevly

April 17, 1931 - June 11, 2024

We are sad to announce the passing of our family matriarch Dorothy Jean Hevly. She was born April 17, 1931, in Bellingham, WA, to Chester and Dorothy Hansen. She passed on June 11, 2024, surrounded by her family.

Dorothy loved life and lived every minute that God blessed her with to the fullest until her body no longer allowed it. She loved her family and friends beyond measure and cherished time with them. Dorothy was ready at a moment's notice to do anything or go anywhere, especially if it involved family or friends. Sporting events, birthday parties, music, and dance are some of the activities she enjoys. Jean enjoyed traveling with Dale and their family to Hawaii, Alaska, Arizona, California, Oregon, Washington D.C., and any place they could take the RV.

She met Dale Hevly in the spring of 1952, while he was attending Western Washington State College. They were married on December 26, 1952. Upon Dale's graduation, they moved to Almira, WA, where Dale had his first teaching job. Three years later, they moved to Rock Island, WA, for a new teaching position. They made their home with their four children in East Wenatchee, WA, in 1960.

She was a loving mother to her four children: Duane (Denise), Diane (Ray Oberg), Craig (Kathy), Tom; and her 12 grandchildren; 21 great-grandchildren;

and one great-great-grandchild. She is survived by two step-brothers, Mott and John Liek. She was preceded in death by Dale; her parents; and her step-sister, Janet.

A Celebration of her life will be held at the home of her granddaughter, Camille.

“ I spent a lot of time talking to Aunt Jean about her past and present life. The love that she has for her family and friends went above and beyond what she could give. I learned more about the people she grew up with and loved as if I was right there with her. Yes she had a hard life but a happy one.
She often talked about her brother Donald Chester (who preceed her in death) and the challenges they faced together and managed to overcome. Now that she has joined he family in heaven, can Aunt Jean truly rest in peace.

“ I grew up with the Hevly children, and attended school with them in the Eastmont School District . Go Wildcats ❤️ Mr Hevly taught at Rock Island when I was in Grade School. Jean was a wonderful lady. I loved running into her she always remembered me as one of those pretty Hall girls.
I remember her with love and fondness.
May she rest in eternal peace.
I have to say I never knew Mott and John were her Step brothers. I grew up with them too.
