“ I'm sure I won't be the only one to say that Mr. McComas was my favorite teacher. As a member of the Apple Leaf staff, I appreciated his knowledge, kindness and incredible patience. When I was a senior, he taught an English elective called Comedy, which took an analytical and historical approach to the art form. That class, along with what he taught me about writing, turned out to be instrumental in my career as a stand-up comic and screenwriter. I wish I had made an effort to tell him in person how influential his teaching and mentorship have been. The world needs more like him.

“ We are sad that Doug has parted from us, but he is in a better place with his Lord. Doug was a very quiet person, but very sincere. We enjoyed sharing time with him and Marilyn. The one thing that Doug told us was that Marilyn was a “Wonderful Wife”. Although Doug is gone from our sight, we cherish our fond memories. Stay strong Marilyn. Love Anne & Dick
