

Earl Minor

October 16, 1936 - December 13, 2022

On 12/13/2022, Earl A. Minor left this world to meet our Heavenly Father and Savior.

Earl was born in 1936 at Clark, South Dakota to Frank and Wilma Minor, followed by his brother Charles (Chuck) Minor and sister Marge Minor. The family moved to Shelton, Washington where Earl grew up an avid outdoorsman and graduated from Shelton High School.

Earl established a career by moving to the Seattle area and completing an apprenticeship as a machinist. He also met his wife to be, Dale Mahone, during this time and they would become Mr. and Mrs. Minor in September of 1959, celebrating 63 years of marriage in September 2022. Earl was also a veteran and served in the U.S. Navy.

In the mid-1960's, Earl, his wife Dale and their two children moved to the Wenatchee Valley. Earl would work and retire from Alcoa. Both Earl and Dale enjoyed several years of retirement being snowbirds, spending the winter months in Arizona. Golf became one of Earl's favorite activities. They have three grandchildren and four great grandchildren who Earl loved spending time with.

You do not know what will happen tomorrow. Your life is a mist that appears

for a little while and then vanishes. Follow the Lord's will. Know the good that ought to be done and do it.

Celebration of Life services will be held 10:30 AM, Saturday, March 25, 2023 at Chapel of the Valley, East Wenatchee.

“ Can't believe my good friend Earl has left for the promise land. Seemed like just yesterday he was beating me at cribbage (I hope I don't owe him any quarters). Earl was quite the engineer at our Mill Bay RV Resort on Lake Chelan. We discovered a need to build a stairway to the lakefront. Earl went right to it, measuring and digging until he finally got some help from Dick, Charlie and I. My job was to go purchase the heaviest concrete blocks possible and put them on the bank until Earl was ready for the first, second, third, fourth fifth and six steps. Upon finishing, Earl would not allow us to name the stairway "Earls Landing", but we did anyway. The steps were so appreciated, that we ended up building two more stairways to the lake. I'll bet the Indians are still using the stairways. Earl worked hard and played hard. Sad to see Earl go, but I am sure he is beating many friends at cribbage in heaven. Will miss you bud, but I know you are in good hands.
