“ 10/9/24 - This may be strange to write so late, but I just learned of Eddie's passing. We dated a few times in high school and were on the same junior bowling team. I had not seen him since high school, but I did think of him over the years wondering about his life. I just wanted to say I have fond memories of him and send my deepest condolences to the family. - Vonnie Beldin Barger

“ I went to Eastmont highschool with Eddie. He was a nice kid. He liked math. His blond hair swept across his forehead above his thick glasses. The last time I spoke with him in highschool we were standing in front of the gym, on 9th st, and he told me my makeup was "flaky". Chuckle. I saw him a couple more times thru the years. Always polite and seemed to be happy. Think he was a math teacher. Rest in peace Eddie. Rachel Adams.
