“*Dear Pennington Family,
We want to express our sympathy to all of you. Edna was an excellent example of a Christian sister. A loving and caring friend and most of all a wonderful Mother.
You Children are proof of the Christian training. We had some of you work for our Business as young people and we appreciate your work ethic and respectful attitude.
We look forward to seeing Edna again in the very near future to enjoy her warm smile and cheerful giggle.
May Jehovah comfort and bless you all.
