“*Maria would always start the conversation, with "Pete, its me Maria..." and I knew we were going to do something good for people and it was going to be something fun. Whatever Maria was offering, you just had to be onboard, because she was always 100% committed herself and you knew it wasn't going to fail. Just one of many great examples is the goodbye meal she helped organize for the National Guard stationed here during the pandemic. That was the kind of thing Maria did for Wenatchee. We love her for it, and we will miss her. Thank you, Maria, for being the light for so many of us.*
