Death changes everything! Time changes nothing. I still miss the sound of your voice, the wisdom in your advice, the stories of your life, and just being in your presence. So no, time changes nothing. I miss you as much today as I did the day you died. I just miss you!

“ Even though my step sister got mad at me ,her mother and father will address this in heaven, Doyle was a father to me in every way,Sheila you can't ever take that away.You are so hurtful, it's no wonder you can't keep your loved ones next to you.I talked to Daddy many times without your knowledge, and just so you know, you DONT know everything.And I'm not going to tell you.
