“ *My Mother, Evelyn, was a beautiful spunky soul! She loved her family very much and put them first, always. I miss her every day but am so happy that she has been reunited with those who have gone before - and that she is with her youngest son, my brother, Kelly, who passed just 3 months before her. Thank you to all who came to her service. It means a lot to all of us. Until I see you again, Mama. I love you! <3*
