“ *Watching the video brought back so many memories of Aunt Evelyn and Uncle Bill and so many of the family - what a great tribute to Aunt Evelyn! We so wish we could be with you all on May 20 to celebrate Aunt Evelyn's life but we will be there in spirit. Our hearts join with yours in missing her but also remembering her life with love and fond memories. May the Lord of all comfort bless you all as you gather to remember, weep and laugh together.*

“ Dear children of Evelyn Allen,

We were neighborhood friends. Our younger kids played together with you, and your mom and I had frequent and wonderful visits in my home or hers. Evelyn and I were a mere 6 days apart in age. She was a conscientious homemaker, and you kids meant a lot to her. I have enjoyed meeting up with you in the recent years--in Macy's, the Clinic, your dad's service, etc. 'Appreciated the obituary write-up, and I can envision seeing each of you at those various time-periods. Thanks for the care you gave your mother. And look out for one another now. Spend time to keep each other encouraged. Grieve well. And love-back God Who has loved you the most!! Get to know Him better; live with Him in you. Thanks for your friendship over the years. Love you. Berta Merrill

“ Thank you for being a great Mom and Grandma. I found this photo of you and Dad's beautiful horse Duchess. I sure hope there many beautiful horses where you are and that you are enjoying them. I also hope you get to hold a lot of little babies that need a Grandma like you up there. I can only imagine how much you are enjoying being their Grandma. Enjoy your beautiful forever after Mom. Love to you. Your daughter Mary
