“ I am Hoss and Alice's neighbor up the street. He has been a good neighbor thru out the years. We shared an interest in trees, shall always remember him when I look out the window and see the Sequoia he gave us. It was 9" tall at the time. Also have a Doug Fir he brought up and the Willow tree starts. Forrest was a man that loved nature, and we will all miss him. Know the family and others have many fond memories.
