“ I just looked up Bill today and see of his passing. My memories of Bill go back to Richmond,B.C. Canada in the late 70.s. Bill was the purchaser for Cal-Van Auto Supply and I had just started p/t as a 16 yr.old.

Our warehouse was in Vancouver but Bill lived in Richmond so he would bring a company van home each night and drop off our stock. I still remember one time Bill was assisting a customer in our store on his way home.

The customer mentioned they had a 60's AMC Rambler. Bill's response to him was, "A Rambler?? What the heck you drivin' around in a piece of crap like that for? '.....

Not long after Cal-Van lost Bill as he moved back home to the U.S. Now over 40 years later, I still remember that interaction and can still hear Bill's voice with the strong U.S accent.

Sorry to any family and friends for your loss of Bill. He was a "one of a kind".

“ You are missed. I looked up to you. And respected you. You never sugar coated or pretended. And I admired you. You were tough but once I knew you outside of work. You were a softy. You were kind even when you should not have been. I will miss talking to you. Your words spoke to me... I did listen I miss lunch time walks. I miss seeing you hanging out with little man. I could find ways to make you laugh. I will miss that too. Most of all , I just miss calling you my dad. RIP Bill
