George Robert John "Jack" Law

East Wenatchee, WA

George Robert John "Jack" Law of East Wenatchee, WA, joined his Heavenly Father on March 14, 2017. Jack was born June 4, 1928, in Vermillion, Alberta, Canada, the fifth child and only son of George and Elizabeth Law, who were early immigrants from Ayrshire, Scotland. Sisters: Janet Roberts, Georgina Howard, and Mary Pattison, preceded Jack in death, with Anne Smith of North Vancouver, B.C., still living.

In 1936, the Law family relocated to Vancouver, B.C., where Jack was in school until he graduated with a B.S. degree in Agriculture from the University of British Columbia in 1950.

In high school, Jack developed a life-long hobby in photography and was considered to be the school photographer. He also began dating Dorothy June Wainwright, who was the designated school pianist for numerous assemblies and musical activities. Their relationship became an endearing "high school sweetheart" style of life with a God-ordained until-death-do-us-part

commitment at the very core of their life together. Jack and June were married in Vancouver, B.C., on September 13, 1950.

Jack's first position, as a permanent resident of the United States, was in the poultry industry in Washington. He served in the U.S. Army in the Korean War from March, 1952, until February 1954, primarily on active duty in the 24th AAA Gun Battalion. In spite of technical training in radar operation, Jack served as Battery Clerk. He was decorated in the field with official high commendations as a non-commissioned officer.

Upon return to the Seattle area following military discharge, Jack assumed a more technical research position in the poultry industry. He obtained a M.S. degree in 1957, from Washington State University, with a specialty in poultry genetics and reproductive physiology. Jack and June relocated to Berkeley and

Davis, CA, where he obtained a Ph.D. degree in 1961, in genetics, with a highly specialized study of blood groups in turkeys. With these specialties, Jack's career was based on technical and basic research in the poultry industry in Iowa.

He and June became parents of John Cameron Law on January 9, 1963, and Adrienne Victoria Law on November 16, 1965. Later, in 1973, Jack joined the faculty of Colorado State University in Fort Collins, CO, in applied research and teaching. Jack modified his career to become an educational advisor in international agriculture development in Yemen and Egypt. Under USAID projects, Jack advised the Ministries of Agriculture, of those countries, regarding further education and training of their scientific personnel. Jack retired from his professional career in 1994, and he and June took up residence in Wenatchee WA.

Jack is survived by his wife, June Law of East Wenatchee, WA; son, Cameron Law of Grand Junction, CO; daughter, Adrienne Cook of Bothell, WA; sister, Anne Smith of Vancouver, B.C.; five grandchildren; and one great-grandson. He will be sorely missed by his family and friends.

A Memorial Service will be held Saturday, March 25, 2017, at 11:00 a.m. at Eastmont Baptist Church, East Wenatchee, WA. Arrangements are by Telford's Chapel of the Valley, East Wenatchee, WA.
