“ I offer my sincere condolences to the family of Ms. Dunning. I know all too well the pain associated with losing a loved one in death as I lost my own dear mother. I would like to share with you what helped me to get through the most difficult period of my life. It was meditating on Gods promise of an earthly resurrection which will reunite us with our family and friends (Acts 24:15). Isaiah 25:8 says...And he will swallow up death forever, And the Sovereign Lord Jehovah will wipe the tears from all faces. Please ponder over these verses in your private moments for true comfort and peace.
