“ *She was my grandmas best friend, and she was like a second grandma to me. She used to call me skinny Minnie. I absolutely loved her and adored her. May her departure to her ancestors be welcomed with big hugs. You will be missed grandma Georgia.* ”

“ Momma, I love you and miss you.
I was blessed to have the last 8 years with you.
You have been a blessing to so many family and friends and neighbors.
There is a great homecoming for you. The guest list is long after 101 + years on this earth. There is only happiness and joy that you are Home with your Creator.
Meg and I love you, until we meet again. ❤️❤️❤️
Linda
