“ Jerry, Perry and I were the best ski buddies. We shared many ski trips with Jerry and our family. We went to Montana, Sun Valley, and Jackson Hole. We Skied at Stevens Pass most of the time. Occasionally Mission Ridge. I miss those ski years. We also enjoyed playing tennis together. Our kids grew up skiing with Jerry. Perry and Jerry were the same age. Perry passed away 2 years ago from Parkinsons disease. Those were wonderful years we had together all of us. We will miss Jerrys happy face. Condolences to you Norma. time heals the sorrow. It sounds like a patent phrase, but it is very true. Hugs to you and your family. Liane
