“ A special aunt has been taken from me. I will miss her forever and all the talks we had and the love you gave me.. You were given your wings at 4:30am on Sunday March 11 2012. We all will miss the BEST yard sale in the Wenatchee Valley. Please give everyone hugs from home, and give a special hug to Jodi, my mother and grandmother. Until we meet again, hugs and kisses forever. Love Joannie
