“ Larry and Janet I was so sad to learn of your daughter's death. There's nothing anyone can say to lessen the heartache you are feeling. I haven't seen you and Larry for so so many years but have thought of you often over the years. May God be with you and your family during this time of sorrow.

“ I am so heartbroken to hear of this tragic loss. Ginger and I were very close friends when we were young. Over time and distance we lost touch, but I will always remember her as one of the sweetest angels to ever walk this Earth. I pray she is at peace as her life here was cut all too short. I'm sending love and prayers for her family and hope Larry, Janet, Alisha and Betsy will find peace in their memories of good times together with Ginger. I miss you, my friend.
