Sending my love up to you as I know you are now our guardian angel watching from heaven above. I love you & miss you so much, especially your warm hugs & kisses on my cheek. I am so blessed & fortunate to have had you as my father. Thank God for letting us share the special bond of father & daughter. Thank you, Dad for being there for me and letting me know that you "love" me. You will always hold a very special place in my heart. Love you always, Dad!

“ Glenn (and Faye) have a special place in our heart. Always so friendly and ready to give me a hug (Carol). We loved having them as a neighbor when we lived on Franklin street and missed them a lot when we found a new home in East Wenatchee. We enjoyed Glenn's smile and wit. We were lucky to have him (and Faye) in our lives.

“ I will miss my good friend and golf buddy. He was a wonderful man with an infectious smile and great sense of humor. We had great times! Faye made us the most fearsome threesome at Three Lakes. No more bogeys and I hope he continues to get his 10:00 tee time.
