

Guy Studeman

August 17, 1957 - July 12, 2025

Guy Milton Studeman was born in 1957 in Spokane, WA. Graduated from Wenatchee High School in 1976. He mowed lawns as a kid and bought his first minibike in grade school. He wrestled throughout school while getting his education. His passions and hobbies were dirt-bikes #1 and the outdoors. An avid collector of vintage motorcycles and anything with 2 wheels and or an engine, and he was there to fix it since he was a self-taught mechanic. He worked in sales as the manager for Johnson's Yamaha and worked at the first Honda Bike Shop in town. While working, he always turned wrenches on the side and bought and sold used motorcycles and also raced motocross. He was always busy, no matter the season, so he raced snowmobiles in the winter. He left us too early, but his legacy lives on. He is survived by daughter Michelle Studeman and her husband Marcelo, along with granddaughters Mikayla and Milani. His son, Michael Studeman, and grandson, Kai Studeman. Also, his 3 siblings, along with both his parents.

He was a man of many talents. He left this earth too soon and will be deeply missed by his loved ones. He was a father, a grandpa, a brother, and a son. His likable personality lit up the room. He grew up riding motorcycles and eventually entered races and won countless trophies. He would pop wheelies from one end of town to the other. He had a passion for motocross, and he was damn good at it. He was known as "sly." He made lifelong friends with everyone he met. His smile was contagious. His jokes lit up the room with

laughter. His hugs made you feel so safe. He was a remarkable father and grandpa. He would play tickle monster with his granddaughters when they were little. He was a role model to his grandson. He was our protector. There will be an emptiness without you on this earth. When we look up at the night sky, we will see you in the stars and think of you. Until we are together again.

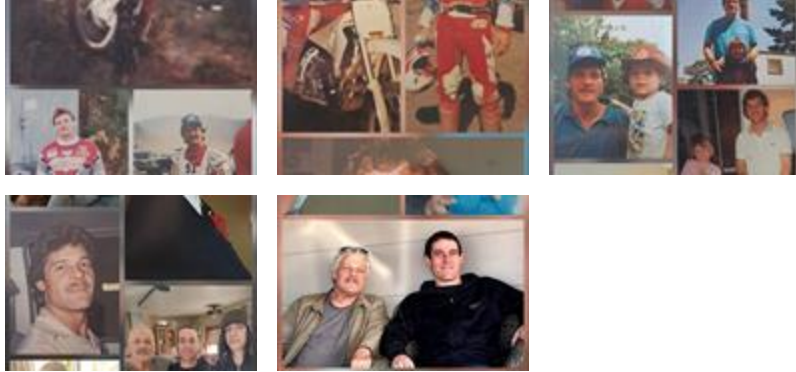

Love, your son, Michael, and daughter, Michelle.
