

Harold Borror

May 18, 1932 - August 28, 2022

Harold "Hal" Dean Borror, 90, of Entiat, WA, passed away peacefully on August 28, 2022. Hal was born May 18, 1932, in Garnett, Kansas, to parents Donald Borror and Leona Borror Gronski. When Hal was still a young boy, his family moved to Seattle, where he attended school, and after serving in the US Navy during the Korean War, he became a University of Washington graduate.

Not long after accepting a teaching and coaching position at Entiat High School, Hal met his sweetheart, Barbara "Sue" Martin. The happy couple was married for 55 years, during which they raised their family in Entiat, where Hal continued to teach Social Studies to grades 7-12 for 30 years before retiring. Hal was an avid golfer and historian, spending his retirement playing 18 holes almost daily and compiling endless research documents on General Custer. When he wasn't on the green, Hal reveled in solving the most complicated puzzles and enjoyed collecting coins, stamps, and Native American artifacts. He also had a passion for painting with oils and pen and ink. Hal loved to laugh and was notorious for his amusing sense of humor. Most of all, Hal was a family man, devoted to his wife and children.

Hal is survived by his son, Darren Borror (wife, Lia); and granddaughter, Jade Borror. He was predeceased by his parents; wife, Barbara Sue; daughter, Kelli; and brothers, Donald and Jackie Borror.

A graveside service will be held at Entiat Cemetery, Friday, September 9, 2022, at 11:00AM with Chaplain Jamie Wilhite officiating.

Arrangements are by Chapel of the Valley, East Wenatchee.

“ Darren and family, I remember coaching with your dad and having you as one of our players. It was the influence of your dad and Keith Vradenburg that made me want to be a teacher and coach. I retired this past June after 31 years of teaching and coaching. I have never regretted a single day of it. Your dad had an impact on so many lives. I hope this brightens your day a bit.
